

PURPLESTRIDE 2012

Every year, in communities across the country, thousands of people participate in PurpleStride, the signature fundraising event for the Pancreatic Cancer Action Network. These events range in size from brief walks to timed-runs, but they all share one goal: to end pancreatic cancer. It is a time to support loved ones who are fighting pancreatic cancer and honor all those who have lost their battle. It is a journey toward hope that is filled with inspiration. PurpleStride events raise much needed awareness and urgent funds to advance research, support patients and create hope.
